Item 2

Mrs Young reported that Mr Whiting had contacted the pool on a number of occasions and there were no evening spaces available for school hire. The School Council were very disappointed by this news and Mrs Young promised to continue to try to organise a pool party.

Item 3

The Daisy Rich Trust – Mrs Young explained to the School Council what the Daisy Rich is and that they wished to help us as a school. The School Council are going to meet on Tuesday to look at possible play time equipment so that we can approach the trust with a project in mind.

On Tuesday the School Council met and looked at a number of options. They were very excited by the equipment available especially the Spider's Web. Mrs

Young is going to approach the trust however the School Council will need to be very proactive raising additional funds. Mr Day has also suggested that he would be able to contribute some funds from the PE budget for equipment.

The School Council Reps have been asked to report back on Thursday with some additional fund raising ideas from their classes.
