

## School Council Meeting – Friday 16<sup>th</sup> June 2017

Present:

Head boy – Reece Hunt

Head girl – Jasmine Archer

Year 6 – Kya Dorn, Luke Jelley

Playtime leader – Abi Williams

Year 5 – Devon, Baili

Year 4 – Melanie, Noah

Year 3 – Ruby, Archie

Year 2 – Daisy, Ashton

Year 1 – Levi, Phoenix

Year 1 – Ellie-May, Dylan

Item 1:

Update

The School Council have now bought 6 picnic benches for the outside play area. Mr Orchard has so far constructed two of them but Mr Snow has said that he will help over the weekend to get the other 4 up and running. The School Council will then get 6 small plaques to fix to each of the tables saying 'Presented by the School Council 2017'. It is hoped that the older children will now be able to eat their sandwiches outside at lunch times.

The lollies have been a tremendous success – each week the lollies made have sold out making a total of £40-45, less expenses. As the weather is so hot the School Council would like to extend the lollies to Thursday's and Friday's however they would need to get some volunteers to help with the washing up. Mrs Young will ask Mr Snow next week if this is possible.

Next week flavour choices are: Pineapple, Cherry and Vanilla milk.

The last uniform shop of the term will be on Friday the 30<sup>th</sup> June. If anyone has any donations they will be gratefully received.

## Item 2

### The Time Capsule

A capsule has now been purchased and a tree has been donated. It is hoped that the capsule will be buried and the tree planted on Friday the 30<sup>th</sup> June. We are hoping to invite the County Press.

At next week's School Council meeting each rep needs to bring the items/photographs they wish to have added to the time capsule.

Suggestions were discussed:

Whole School Photo

Class Photos

County Press cutting – digging up of the previous time capsule

Riddle/map

Items included need to reflect life at school in 2017.

Photos from around the Island.

It was suggested that 25 years would be a good time to leave it undisturbed as the children at the school in 2042 would be the next generation of the current school population.

The budget now stands at £145 after the purchase of 6 picnic benches.
