### KS2, CPR Training

- Two nurses, Sophie and Phil, visited us on Tuesday. They worked with KS2, teaching us how to perform CPR in an emergency situation. We all learnt the key steps to performing CPR, including looking for danger, checking for a response, checking for breathing then performing CPR. They also showed us how to use a defibrillator.
- Sophie and Phil then kindly returned at the end of the day to provide the same training to staff.

- Last Saturday the KS2 football teams attended the Southampton v Burnley game at St Marys. Even though Southampton were beaten 1-0 it was a great afternoon out with all getting involved in the singing & chanting in the stands. Thanks to Miss Wade & Mrs Smith for attending with Mr Whiting.

If your child has borrowed a school tie or PE kit please could it be returned to school ASAP. We now have no spares available.
