Head Teacher: Mr M Snow

24<sup>th</sup> September 2020

Dear Parents and Carers,

Just to inform you that we have become an Early Adopter school for the new Early Years Profile. This means that some of the Early Learning Goals and Areas of Development have been revised. We will be observing and assessing against these within Reception and Nursery.

Please feel reassured that how we work with your child will not change, it is just our tracking and assessing will be different.

Your child's learning journal will still be on EExAT, we will provide you with the details to access this in the near future.

We will keep you informed of any other changes.

Thank you

Early Years Team
