Head Teacher: Mr M Snow

27th January 2023

Dear Parents/Carers,

We will be introducing a new way to book your child's school lunch after half term. Lunches will no longer be booked in the morning during registration, instead parents/carers will need to book them in advance. There is usually 3 weeks available in advance online for you to book. Even if your child is having a packed lunch, please make sure that this is booked.

Please find attached a Parent User Guide to help with the booking process. Please see page 3.2 and 4.2 in the User Guide which specifically shows how to book lunches and clubs.

You will find some useful FAQ's at the back of the booklet.

Don't wait until after the half term, try logging in and booking lunches today!

As of 20th February, lunches will not be booked in the classroom.

If you have any problems logging in, please go to the school office.

Many thanks
