Barton Primary School has now been nominated as one of three chosen organisations on the Island for Tesco's Stronger Starts scheme.

If you, your friends or family shop at Tesco in Lake, Newport, Ryde, Ventnor and/or Wootton, please do pick up a blue token (or a handful) and pop it in the Barton Primary School perspex box near the checkouts.

Your votes will really make a difference. If they come third across these Island stores, they'll receive £500. If they come second, they will receive £1,000 - and if they come first when all of the blue tokens are counted, they will receive £1,500.

Thank you so much - and please, please try to remember!

Smoking or vaping on school grounds is prohibited. Please be mindful of others around you.

Information taken from www.nhs.uk

Passive smoking

Secondhand smoke is dangerous, especially for children.

When you smoke a cigarette (or roll-up, pipe or cigar), most of the smoke doesn't go into your lungs, it goes into the air around you where anyone nearby can breathe it in.

Secondhand smoke is the smoke that you exhale plus the "sidestream" smoke created by the lit end of your cigarette.

Research into vaping is ongoing. As a precaution, it is best not to vape around children to set a good example as children are likely to copy.

What to do if your child is unwell

You should notify the school on the first day your child is unable to attend due to illness before 9am. You will need to notify school for every day that your child is absent. You can either telephone the school on 522469 or email the school office on office@bartonpri.iow.sch.uk

Well done to the Year 5 basketball team who played Hunnyhill and St. Thomas primary schools.

The team played with great enthusiasm and skill. The team narrowly lost to Hunnyhill 10-6 but missed a few baskets which would have made the score closer.

In the second match we found the basket regularly, beating St. Thomas 14-2.

We have more matches for the Year 6 and Year 3/4 teams before half term.

Important notice

Please **do not** park at the front of the school on drop off or pick up. There are plenty of parking spaces on Furlongs and in Garden Way.

Double yellow lines indicate a prohibition of waiting at any time and static cars are causing wider issues on the road at the front of the school.

Parents would like to give their children independence with walking to and from school, but it is becoming increasingly difficult for children to find a safe place to cross. **It is not safe for children to cross the road between parked cars.**

ITV's hit kids' show, **Mini Movies**, is returning for series 2 and we're looking for movie-loving kids to take part.

You could star in exciting video clips full of visual effects, pitch your own movie ideas, create amazing animations and show off your costume skills!

If you'd like to get involved, ask your parent or guardian to email your name and age to...

casting@thechancercollective.com

After that you'll receive further information on how to apply. Be quick though, as spaces are filling up!
