Dear Parents/Carers,

We are excited to inform you about a change to our school uniform policy. The School Council has worked hard to develop a uniform that suits all activities within the school day whilst reducing costs to families.

The new active uniform will ensure that children are comfortable and flexible to engage in spontaneous physical activity all day e.g. having lessons outside or the daily mile. This will help with their learning and general wellbeing, improving focus in the classroom. Having an active uniform will also mean savings for families as a separate PE kit will not be needed.

To promote a sense of belonging and pride in our school, it is important for **all** children to wear the specified uniform:

- **Burgundy polo shirts with logo (current PE top for Y1-6)**
- **Plain black sports or football shorts (no football badges)/black jogging bottoms/black leggings/black sports trousers (small logos only, no stripes)**
- **Black quarter zip sports top with logo**
- **Plain black or white socks**
- **Plain black trainers**
- **Optional school fleece with logo, in the winter.**

The new uniform policy will begin in September for all children starting at Barton. There will be a transition period during the autumn term for children who are already attending, if the new uniform cannot be provided for September. However, we would like to see the old uniform phased out by Christmas. If you are unsure of the requirements for any of the items, please check with us before buying to avoid any unnecessary purchases.

If you have any questions or concerns, please feel free to contact us.

Thank you for your continued support.
