Year 5 & 6

As part of the Year 5/6 re-engagement with school routines, team building and building new relationships, I have been so impressed with my Colwell group who really worked well collaboratively to build the tallest free-standing structure using spaghetti and marshmallows. The creativity and resilience and ultimately patience - resulted in some brilliant creations.

Year 6 OPEN EVENING

Thu 18th September 2025 5.30pm - 7.30pm

We would like to say a big thank you to the **Pan Old Boys** for their hard work over the summer break. They spent many hours re-felting the roof of the outside classroom to make it water tight.

Daily Mile

All the classes in the school will be participating every day in a 15 minute Daily Mile. Pupils can run, jog, or walk for the 15 minutes on the playground and the MUGA. Prizes will be given to the pupils with the biggest weekly increase and for the class with the most miles completed in the half term.

Taking part in regular physical activity has lots of benefits for children's physical health, mental health and wellbeing, and their learning.

1. It improves bone health and muscle strength in children.
2. It enhances fitness and improves heart health.
3. It reduces body fat and promotes healthy body composition.
4. It supports self-esteem and happiness.
5. It helps reduce anxiety and increases confidence.
6. It improves focus and concentration and can help improve classroom behaviour.
7. It improves memory function, maths problem solving and performance.
8. It supports improved academic attainment and cognitive performance.

Children go at their own pace for 15 minutes

How far do they run in that time?

The number of laps the children will complete varies, as shown by average distances covered below. Children as young as two years old can take part in The Daily Mile at a suitable pace.

What does the science say?

How being more active improves health and wellbeing

Taking part in regular physical activity has lots of benefits for children's physical health, mental health and wellbeing, and their learning.¹
