School debt

If you have an outstanding balance due to the school, please log into your child's School Money account. You can pay the debt in full using a card payment. Alternatively, we can set up a weekly/monthly payment plan to pay the debt off in instalments. To do this, please contact the school office.

If the debt is due to school lunches, you will need to provide your child with a packed lunch until meal costs are settled. If the debt is due to after school club, your child will not be able to attend.

If you haven't either paid off the debt or contacted us to set up a payment plan, we will invite you to a meeting to explore options to help you pay the amount above. If you don't attend or if we don't reach a satisfactory result together, we may seek legal advice on recovering the debt.

ClassDojo – available now

We have started using ClassDojo!

As a school, we will be using this to share what we have been doing in class as well as sharing any other notices and important information!

We want it to be a way that we can communicate what is happening, as we know, children don't always share what they've done at school.

ClassDojo is secure, safe and free. By signing up, it allows the children to change their monsters, play on Dojo islands and share their achievements. It will tell you when your child has earned a dojo and what they've earned it for. We hope it is something that you will support us with and join, as the children are always excited when they earn their dojos.

Many of you have signed up already, which is fantastic. We would love to have everyone signed up. If you have any questions, difficulties or want support in signing up, please catch Mr Butt on the MUGA at the end of the day, he will be willing and able to help!

FYI: We aren't using the messaging service, so all messages still need to come through the office!

Below is a link to sign up to our school.
