PARENTS & CARERS INVITED

Meeting the needs of neurodivergent children and families

If you are a parent of a neurodivergent child living on the Isle of Wight we would love to hear from you.

During the session we will encourage open discussion with some open questions. We hope that you will help us understand what having an early support pathway is like for you, and how it might have supported your family and child. Also if you have had experience with ND-Profiling we would like to hear from you too.

We will organise a lunch and coffee/tea and will try our hardest to make you feel comfortable and listen to your perspectives. There are also child care arrangements should you want to bring your child.

We are Group of researchers at the University of Portsmouth doing independent research on early support. We want listen to your stories and summarise them anonymously to feedback to the Council, the NHS and you! As a token of appreciation we will also offer you a voucher to be used for online shopping!

Sports Report

Queensgate 1 Barton 2

The year 5/6 mixed team continued their winning streak by beating Queensgate in another close and exciting match.

Kayden made some vital stops early in the match before Harley scored just before halftime. Akeel scored a long range effort just after halftime. Despite conceding, the team dug in and held on for another victory.

Thank you to all the parents who cheered on the team and Mr Chapman and Mr Orchard for helping with the team.

The Team

Bailey, Archie, Tristan, Akeel, Kayden, Rogan, Jackson, JJ, Harley, Adam and Lincoln

Newport 3 Barton 1

The under 9's team were again unfortunate to lose against a very good Newport team. We took the lead from a corner by Jaxson, finished by Teddy H.

The team then conceded 3 goals without reply. The whole team played well and missed numerous chances which on another day would have taken us to victory.

Thank you to all the parents who supported the team and Mr Orchard for driving the minibus
