World Book Day

This year we will be celebrating World Book Day on Friday 6th March.

Children are invited to dress up. Please do not spend money on a costume. There are lots of ideas for a homemade costume online.

We are delighted that local author Tim Walters will be coming to school on Friday 6 March to share his new children's book 'Island SOS' with us. The book theme is *'Two islands on opposite sides of the world. What happens to each of them when humans arrive?'* Tim will read the book and then talk with the children about the themes of sustainability, climate action, and what they could do to help. You can view the book at www.islandsos.life.

If you would like to purchase a copy of the book in advance at a reduced price of £4.75, please send the money in an envelope marked 'Island SOS' and your child's name. Your child will receive their copy on the visit day. Tim will also be at school at the end of Friday if you wish to purchase a copy (exact cash or card accepted).

Two islands on opposite sides of the world. What happens to each of them when humans arrive?

Beautiful text and stunning art are brought together in this wonderful and thought-provoking book about the environment.

The perfect picture book to get children thinking about the environment, engaged by the story and exploring the art!

We are a small team! Bear with us – we will get the book dispatched as quickly as possible by first class post.

Year 2 trip

Year 2 had a great time at the Museum of Curious Enchantment storytelling workshop this week! We walked down to the Quay Arts and were met by a story teller who showed us how to create our own characters and come up with our own stories using some props from the museum. The children came up with some amazingly creative stories to tell each other!
