Head Teacher: Mr M Snow

Dear Parent/Carer

RSE Information Letter - Reception

You will be aware that, as part of your child's education, we aim to promote personal wellbeing and development through a comprehensive programme of Personal, Social, Health and Relationships Education (PSHRE). We aim to give all pupils the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives both now and the future. This is delivered through the SCARF programme. We are writing to let you know that your child will be taking part in lessons this term which will focus on both PSHE (Personal, Social and Health Education) and Relationships and Sex Education (RSE) topics.

Lessons will of course, be appropriate to the age and year group of the pupils and will include topics such as:

- Growing and changing in nature
- When I was a baby
- Girls, boys and families

These SCARF lessons will be delivered to Reception and are monitored and reviewed regularly.

They will include the appropriate anatomically correct vocabulary.

All teaching in PSHE takes place in a safe learning environment and is underpinned by our school's values.

If you would like more information, or would like to read our RSE policy, please contact the school office.

Thank you,

The Early Years Team
